This apartment in Benoordenhout is located on the second, top floor of a completely renovated building on the Wassenaarseweg. The renovation has given the building a beautiful metamorphosis. The stately façade has been retained, the inside is brand new and the latest and most modern renovation techniques have been used.

The house is a stone's throw away from the beautiful Oostduinpark and is also very conveniently located to reach the city center of The Hague, Scheveningen and the beach. Several roads and the Central Station are easily accessible. Several schools, shops, and offices (Shell International) can be found in the vicinity.

### Layout

The staircase in the shared hall takes you to the second floor. Here you will find the entrance to the apartment. You enter the beautiful open space that overflows into the large living room at the front with an open kitchen. Opposite the front door is the entrance to the bathroom and the separate toilet. At the rear are the two spacious bedrooms that both offer access to the balcony that extends over the entire width of the house.
