This apartment in Benoordenhout is located on the first floor of a completely renovated building on the Wassenaarseweg. The renovation has given the building a wonderful metamorphosis. The stately façade has been retained, the inside is brand new and the latest and most modern renovation techniques have been used.

The house is a stone's throw away from the beautiful Oostduinpark and is also very conveniently located to reach the city center of The Hague, Scheveningen and the beach. Several roads and the Central Station are easily accessible. Several schools, shops, and offices (Shell International) can be found in the vicinity.

### Layout

The spacious living room with open kitchen is located at the front of the house. The bathroom with bath is in the middle, with on the other side the separate toilet. At the rear, you will find two spacious bedrooms. The largest bedroom offers access to the balcony.
