Nice and light apartment in Zeeheldenkwartier!

The Elandstraat is located in the Zeeheldenkwartier. And in our opinion, it's one of the nicest neighborhoods of The Hague! You will find lots of restaurants, shops, boutiques and cafes here. There is a large supermarket across the street. The city center can be reached on foot from the apartment, but you can also bike for 5 minutes to get to Grote Markt.

The apartment is located on the second floor. The house has a surface of 75m² and because of the large windows, there is a lot of natural light.

Layout:

Entrance via shared porch and staircase. The front door of the apartment is located on the second floor. You will then enter the spacious, bright living room with a modern, semi-open kitchen on the right. On the left side of the house, you can find a bedroom. The door to the bathroom, where the washing machine connection can be found, is on the right. The second bedroom at the front of the apartment can be used as a study or storage.

Exclusive ?50 for decorations and electrical equipment
